

Pretty Petals Hat Pattern

About:

The bright colours in the Caron Chunky Cupcakes and the big fluffy petals of the hat pattern are the perfect combination for a unique fashion accessory that is sure to chase away the winter blahs and turn some heads along the way!

This chunky hat can be done in an hour or less, which is great when you are stocking up for a craft fair, donating to charity, or you are trying to quickly whip up a last minute gift for any occasion.

*or approx 3.5 oz, or 125m of #5 weight (Bulky) yarn

Instructions:

To start: chain 4, slip stitch in first chain to form ring.

Round 1: Chain 3 (counts as first DC, CH1). (DC, CH1) 10 times in ring. Slip stitch in 2nd chain (11 DC, 11 ch1 spaces).

Round 2: Slip stitch into next chain space. BEGCL, CH2 in chain space *(CL, CH2) in next chain space* Repeat *...* 10 more times (11 cl, 11 ch2 spaces).

Round 3: Slip stitch into next chain space. BEGCL, CH2, CL all in same space. (CL, CH2, CL) in each chain space around (22cl, 11 ch2 spaces).

Round 4-8: Repeat Round 3.

Round 9: Slip stitch into next chain space. BEGCL, BEGCL into the top of the first cluster (see photo), cluster into the same space. *CL, BEGCL in top of cluster, CL in next chain space* Repeat *...* around and join with a slip stitch in top of first BEGCL.

Fasten off and weave in ends. Attach pom pom to top of hat.

I like to make mine detachable for easy care and washing by sewing it to a button. This also makes your poms interchangeable between hats if you keep your sizing consistent.

Happy Crocheting!
